I. Title V Program Background and Requirements

Funding for the Senior Community Service Employment Program comes from the US Department of Labor/Employment and Training Administration. The *Catalog of Federal Domestic Assistance (CFDA) number is 17.235*. The federal award grant period is 7-1-2021 to 6-30-2022 and the sub award grant period is also 7-1-2021 to 6-30-2022.

The Senior Community Service Employment Program (SCSEP), or what is commonly referred to as the Title V Program, is funded under Title V of the Older Americans Act of 1965 (P.L. 89-73) as amended and reauthorized in 2020 (P.L. 116-131), 42 U.S.C. §§3001 *et seq.* The SCSEP fosters and promotes useful part-time work-based training opportunities in community organizations for unemployed individuals age 55 and older whose income does not exceed 125% of the most recent federal poverty guidelines. Program participants receive on-the-job training at local public agencies operated by units of government or non-profit agencies with certification under Section 501 (c) (3) of the Internal Revenue Code. Eligible individuals that participate in the SCSEP are reimbursed the federal or state minimum hourly wage, whichever is greater, for approximately 20 hours per week during their job training. The ultimate goal of SCSEP is to assist the transition of older individuals into unsubsidized employment that leads to self-sufficiency.

Prior to July 1, 2005, the Department provided all 52 AAAs with a Title V allocation. As of July 1, 2021, 45 of the 52 AAAs have relinquished their Title V funds to the Department and no longer operate a Title V Program. Through a Request for Grant Applications, the Department has selected a contractor to provide SCSEP services in these AAA Planning and Service Areas in FY 21-22 through a direct contract with the Department. The seven AAAs that will continue to receive Title V funds from the Department in FY 21-22 are: Philadelphia, Washington/Fayette/Greene, Lancaster, Luzerne-Wyoming, Westmoreland, Erie, and Lycoming-Clinton.

The AAAs shall make income eligibility determinations pursuant with the USDOL's Training and Employment Guidance Letter No. 12-06 and the most recent federal poverty guidelines issued by the U.S. Department of Health and Human Services. AAAs shall use APD # 07-05-01, SCSEP Eligibility Determination, Assessment, Individual Employment Plan (IEP) and IEP Related Termination Requirements and Forms when determining eligibility,

conducting assessments and preparing IEPs. All permissible training activities provided by the AAA with Title V funds provided by PDA shall be in accordance with the USDOL’s Older Worker Bulletin No. 04-04. AAAs shall follow the Department’s Durational Limit (DL) Policy that is contained in APD 18-05-03. AAAs shall also follow all the policies governing federal holidays, necessary sick leave, leave of absences, terminations and grievances that are contained in APD 18-05-04.

Note: Due to the COVID-19 crisis, grantees and sub-grantees were notified through [TEGL 22-19](#) of changes to the Durational Limit Policy for SCSEP individuals participating in the program as of March 1, 2020. The Durational Limit was extended for twelve additional months beyond the normal 48-month limit. Every participant that was enrolled in SCSEP as of March 1, 2020 has received the 12-month extension in the SCSEP Performance and Results QPR (SPARQ) system. Sub-grantees are to follow the Durational Limit (DL) dates in SPARQ when enforcing the department’s DL policy as outlined in APD 18-05-03.

The AAAs are required to meet USDOL prescribed SCSEP performance goals in FY 21-22 for the following eight performance measures:

Entered Employment: 47.1%	4th Quarter Employment: 37.1%,
Median Earnings Goal: \$2,878	Service Level Goal: 165.3%
Community Service Goal: 80.0%	Most in Need Goal: 2.90
Customer Satisfaction-Participant: 83.4	Customer Satisfaction-Host Agency: 82.1

II. Program Reporting Instructions

The AAAs are required to enter new participant, host agency and employer data and update data on current participants, host agencies and employers in SPARQ system on a regular basis. The AAAs must generate a Quarterly Progress Report (QPR) no later than 30 days after the end of each quarter. The exact due dates for generation of the QPRs for each quarter will be forwarded to the AAAs by the Department during the fiscal year. The AAAs are also responsible for generating Data Quality Reports (DQRs) after the generation of the QPR. All errors starting with durational rejects must be corrected and another QPR must be generated. It is expected that AAAs generate error free QPRs by the Department’s prescribed due dates, which will be sent to the AAAs during the fiscal year.

III. Fiscal Information

Each participating AAA is responsible for entering their budget and expenditure data in AccuFund accurately and in a timely manner. The line item budget should identify only Title V funds and any matching funds for each line item. The Title V dollar amount to be budgeted for each AAA is contained in Exhibit 1.

The USDOL will pay no more than 90% of the total cost of activities carried out under a Title V grant. Consequently, a 10% non-federal match is required. The non-federal match could include cash and in-kind services including, but not limited to, supervision of participants at host agencies.

The PDA will control Title V expenditures by the following budget categories: Administration, Participant Wages and Fringe Benefits (PWFB) and Other Participant Costs (as identified on the Title V budget). A minimum of 78% of the approved total federal award contained in Exhibit 1 must be allocated and expended for PWFB. No more than 10% of the available funds can be allocated and expended for administrative costs. Functions that are considered administrative for SCSEP purposes are: accounting, financial & cash management, procurement, property management, personnel management, payroll, legal services, developing systems and procedures and monitoring of administrative functions. Administrative costs include goods and services required for administrative functions and travel costs to carry out administrative activities. Administrative costs associated with information technology include the costs of information systems related to administrative functions such as payroll, accounting, procurement and purchasing systems. It also includes the costs associated with the purchase, development and operation of information systems.

Other Participant Costs (OPC) include intake and eligibility determination, participant assessment, Individual Employment Plan (IEP) preparation, host agency development, outreach and recruitment, classroom training, job placement assistance and participant support services. Participant support services may include transportation and incidentals, such as work shoes, badges, uniforms, eyeglasses, tools, child and adult care, and temporary shelter. Some information technology costs can also be charged to OPC, such as the cost of tracking and monitoring participant and performance information, developing employment statistics and performance information. Please note that if a Title V participant performs work involving assessment and planning for other participants, those costs should be included in the Participant Wages and Fringe Benefits category.

SCSEP funds can only be used to pay for the following benefits: FICA, the costs of physical examinations and worker's compensation. SCSEP funds shall not be used to pay for pension benefits, annual leave, accumulated sick

leave, and unemployment compensation costs for SCSEP participants or bonuses to SCSEP participants.

Expenditure Report

The expenditure reports are to be completed using a modified accrual system. A modified accrual system accounts for expenditures according to the period in which the benefit for the expenditure occurs. Accounts payable as well as estimated expenditures for invoices not received should be included. Reimbursement for reported expenditures will continue to be paid on a quarterly basis.

All reporting should be done through AccuFund. AAAs are required, at a minimum, to upload quarterly expenditure information. The due dates for the quarterly expenditure uploads are:

<u>Months Covered</u>	<u>Due to PDA</u>
July-September	October 10 th
October-December	January 10 th
January-March	April 10 th
May-June	August 1st

The Department will monitor and control the AAAs' expenditures at the service cost level (Administration, PWFB and OPC). The AAAs may reallocate funds between service cost centers in an amount up to 10% or \$10,000, whichever is greater, of the amount budgeted in that cost center. Any reallocation of funds between service cost centers in excess of 10% or \$10,000 must receive prior approval from the Department. No reallocation may cause the budget or expenditure of Title V federal funds to violate the parameters for Administration (no more than 10%) or PWFB (no less than 78%).

The Programmatic Assurances for FY 21-22 SCSEP Funds (see Exhibit 2) must be signed and submitted to David Miles by August 1, 2021. Program related questions should be directed to David Miles at (717) 783-0178 or via e-mail at davimiles@pa.gov. Fiscal reporting and other fiscal related questions should be directed to Rob Heinlen at (717) 772-0192 or via e-mail at rheinlen@pa.gov.

You agree to:

Recruitment and Selection of Participants

- Develop and implement methods to recruit and select eligible participants to assure maximum participation in the program.
- Use income definitions and income inclusions and exclusions for SCSEP eligibility, as described in [TEGL 12-06](#) to determine and document participant eligibility.
- Develop and implement methods to recruit minority populations to ensure at least proportional representation in your assigned service area.
- Develop and implement strategies to recruit applicants who have priority of service as defined in OAA section 518(b) (1)-(2) and by the Jobs for Veterans Act (JVA). Individuals with priority include those who:
 - Are covered persons in accordance with the JVA (covered persons who are SCSEP-eligible must receive services instead of or before non-covered persons);

Individual Employment Plan (IEP)

- Establish an initial goal of unsubsidized employment for all participants.

- Modify the IEP as necessary to reflect other approaches to self-sufficiency, if it becomes clear that unsubsidized employment is not feasible.
- For participants who will reach the individual durational limit or would not otherwise achieve unsubsidized employment, include a provision in the IEP to transition to other services.
- Rotate participants to a new host agency (or a different assignment within the host agency) based on a rotation policy approved by DOL in the grant agreement and only when an individualized determination determines that the rotation is in the best interest of the participant. Such rotation must further the acquisition of skills listed in the IEP.

 - Displace currently-employed workers (including partial displacement, such as a reduction in non-overtime work, wages, or employment benefits).
 - Impair existing contracts or result in the substitution of Federal funds for other funds in connection with work that would otherwise be performed.
 - Assign or continue to assign a participant to perform the same work, or substantially the same work, as that performed by an individual who is on layoff.

Orientation

- Provide orientations for its participants and host agencies, including information on:

- Maintain average project duration of 27 months or less, unless ETA approves an extension to 36 months.

Maximum Individual Participant Duration – 48 Months

- Allow participants to participate in the program no longer than 48 months (whether or not consecutively), unless your approved policy allows for an extension and the participant meets extension criteria.
- Notify participants of your policy pertaining to the maximum duration requirement, including the possibility of an extension if applicable, at the time of enrollment and each year thereafter, and whenever ETA has approved a change of policy.
- Provide 30-day written notice to participants prior to durational limit exit from the program.
